| General Comments: | <p>I appreciated Mikaela's willingness to help whenever asked. More importantly, I appreciate the initiative she displayed throughout her time with me. When I was meeting with students, she would go and read, work on words, etc. with students who were working independently.</p> <p>She also displayed great professionalism and enthusiasm for teaching and learning. She was willing to try anything, even if it is out of her comfort zone. These are vital characteristics for anyone considering the teaching profession. I am excited to see her succeed in the future!</p> |
